EUROTARY 87

8th Annual Assembly, 17th-19th September 1999

Langenhagen, Wedemark, Germany

Members of Rotary Club Langenhagen-Wedemark are pleased to extend cordial invitation to the eighth Annual Assembly of EUROTARY 87. The assembly meeting will be held from Friday to Sunday, 17th to 19th September 1999 in Langenhagen and Wedemark, Germany.

We wish to welcome our Rotarian friends and their accompanying persons of all clubs of EUROTARY 87 from Etwall & Hilton, Gordes, Göteborg, Kolbäck, Korsør, Lauderdale and Westerlo. Hopefully, more clubs founded in 1987 will join in this international family of Rotary Clubs.

Langenhagen and Wedemark are two immediate suburbs of the city of Hannover which can easily be reached for visitors travelling by means of airplane, automobile and railway. Actually, Hannover airport is located in Langenhagen.

Golf tournament and home parties provide us with opportunities to meet old friends and to make acquaintance with new friends. Visits will be arranged to Hannover, trade fair metro-

polis and venue for the World Exposition 2000. The Royal Gardens in Herrenhausen, highlight of Baroque horticultural art, are famous for festivals of music, theatre and international fireworks competitions. Saturday night's gala dinner with dance will take place in a typical Lower Saxony half timbered house.

The price including hotel accommodation with breakfast in Maritim Airport Hotel, social events (excluding green fees for golfers) and registration fee will not exceed DM 900,- per couple.

More detailed informations will be mailed to your club in due time.
